History Timeline

We're so excited that our fantastic history timeline is now complete, the children love taking a journey through time as they walk around the Key Stage 2 building. We're going to be fundraising for a mural in Key Stage 1 soon and we're sure you agree it's worth every penny! Take a look at these photos showing just some of the periods of history the children study here at The Mulberry...

Happy New Year!

Welcome back and a very happy new year to all our families and children. I am sure you agree our Christmas productions were superb, your children were super stars and performed beautifully. We are very excited for the term ahead and will be introducing our new school rules to the children:

What does it mean to be green?

We welcome your involvement in your children's learning and thank you for attending parent consultations last term. We really look forward to working with you collaboratively this term.

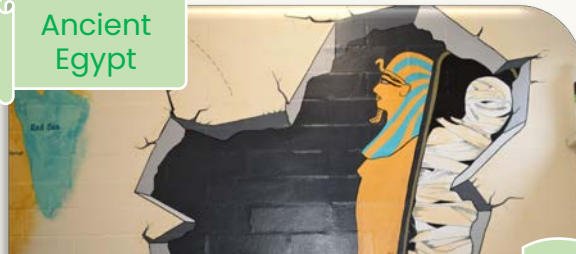

Mrs Akarsu, Headteacher

Being Green Means:
