THE MULBERRY TIMES

Spring 1 - 2024

Headteacher Welcome

I can't believe Spring 1 is coming to an end. What a swift and successful half-term we have had. Year 6 children thoroughly enjoyed a week's residential holiday in the Brecon Beacons, Wales.
We have two new additions to the Mulberry flock.
We are looking ahead to Spring 2 and the lighter, warmer days. I am looking forward to welcoming parents to the annual report parents meeting - on Thursday 28th March 2024, further booking information to follow.

Pendarren

Our children enjoyed a brilliant week of outdoor learning in Wales. They braved the winter weather to cave, climb, canoe and went to the beach. We're so proud of their bravery and resilience as they tackled all the new activities.
A big thank you to Mr. Bracegirdle, Ms. Jbara and Mr. Powell for accompanying the children for the week.

Chickens and Ducks

We've welcomed some new members to the Mulberry flock!

Attendance

Attendance is key to your child's progress. It is paramount that pupils attend school daily to build upon their learning from the previous day.

Our attendance target is 97%

Trips and School Events

Our children have been enjoying our local area this half term. Visiting both the Wetlands and Bruce Castle for activities linked to their learning.

Parent Governor Vacancy

We have an exciting opportunity for a parent to join our governing body. The Governing body is made up of Governors from a range of different backgrounds, skills, and experiences, but they are all volunteers who work together for the benefit of the school. We are currently looking for one Parent Governor who can commit to meetings across the year.

Homework Reminder

Just a reminder that children should be reading at home every night. Children in EYFS and KS1 take home a book linked to the sounds they're focusing on. Everyone else will be reading and using Accelerated Reader to do a short quiz.

For maths children should be using Numbots and Timetable Rockstars to practice little and often.
Every little bit counts!
