The Mulberry Times

Autumn 2024

The children have had a really successul start to the new school year and have already achieved so much. Year 6 have started their transition to secondary school, Year 5 have begun their weekly swimming lessons and all the children have been enjoying their music lessons with Ken! Lots of new to reception parents and children have joined our reception tours too.

There's much to look forward to in Autumn 2 and we are excited to welcome you to our Winter Fair, which will be bigger and better than last year.

We're also looking forward to welcoming parents and carers into school for the Parents Evening - see dates below. We really value all your support with the children's learning.
